

**CSR
VOLUNTEERING**

WHY VOLUNTEERING?

1. Engages companies with their communities.
2. Demonstrates commitment to social causes.
3. Contributes to sustainable development.
4. Enhances community engagement.
5. Fosters employee engagement and development.
6. Showcases a commitment to sustainable practices.
7. Actively engages in social and environmental issues, making a meaningful difference in society.

COMPANIES CAN OFFER SKILLS-BASED VOLUNTEERING OPPORTUNITIES TO THEIR EMPLOYEES IN VARIOUS WAYS:

- Pro Bono Projects: Companies can partner with nonprofit organizations to provide pro bono services where employees can utilize their professional skills to support a specific cause or project.
- Expertise Sharing: Companies can organize workshops, seminars, or training sessions where employees can share their expertise and skills with community members or nonprofit organizations.
- Mentoring Programs: Companies can establish mentoring programs where employees can mentor individuals or groups to share their knowledge and skills in a specific area.

COMPANIES CAN OFFER SKILLS-BASED VOLUNTEERING OPPORTUNITIES TO THEIR EMPLOYEES IN VARIOUS WAYS:

- Consulting Services: Companies can offer consulting services to nonprofit organizations or community groups, allowing employees to apply their skills in problem-solving and strategic planning.
- Online Volunteering: Companies can provide online platforms or opportunities where employees can use their skills remotely to support nonprofits or individuals in need.
- Mentoring Programs: Companies can establish mentoring programs where employees can mentor individuals or groups to share their knowledge and skills in a specific area.

VOLUNTEERING HUB

- Companies can register on volunteering.ae to create volunteering initiatives.
- This platform serves as a hub for companies and provides valuable reports such as the number of volunteers, volunteering hours, and age demographics.
